## Harness Racing Fantasy League

---

### **Big changes this year! More ways to win!**

Each stable consists of 6 horses; 5 must be Ohio sired 2-year-olds sold at a public auction (list provided) and a "Wild Card", Ohio Sired, any age, sex or gait.

Stable owners may choose from either gait. The same horse may be owned by multiple stables.

- The stable name and horses you choose will be made public, but your name and other personal information will be kept confidential.
- Stable owners are encouraged to use a virtual stable to inform them when their horses are in to race. Instructions from Trackmaster can be found on the website (ohha.com) under the fantasy league page.
- Standings will be posted to the OHHA website.
- Stable earnings will include all earnings of those horses beginning July 1, 2026, and ending at midnight October 31, 2026. Winners are determined by total stable earnings.
- Money-earned ties will be settled first by number of wins and then by random draw conducted by OHHA.
- Anything not covered in these rules will be determined by OHHA, such decision being final. By entering the contest, contestants agree to be bound by the above rules and regulations.
